

'Algebra as Storytelling' & 'Number Genetics': A Day with Mike Clapper, Australian Mathematics Trust

The Mathematical Association of Tasmania (MAT) invite you to a day with Mike Clapper. You will learn to teach **algebra** in a **narrative** way that will appeal to your students. You'll also learn to unlock the full potential of **numbers** by teaching your students about **prime** numbers in more depth.

Who for? Teachers of Years 5 – 12

When? 8:30am – 3:00pm, Friday 23rd March 2018

Where? Tailrace Centre, 1 Waterfront Drive, Riverside (Launceston)

Cost? \$110 (Individual MAT Members), \$140 (Institutional MAT Members), \$200 (Non-members). Morning tea and lunch are included.

Register via Eventbrite: <http://www.eventbrite.com.au/e/algebra-as-storytelling-and-number-genetics-a-day-with-amts-mike-clapper-tickets-42609738876>

This event is run by the Mathematical Association of Tasmania (<http://mat.aamt.edu.au>).
